WINE TASTING & DINNER PAIRING

Friday, December 1, 2023
7:00 - 9:30pm

Daniel Daou's life long passion for wine ultimately lead him to follow his winemaking dream and discover what is now DAOU Mountain in Paso Robles, California. DAOU Mountain, "A jewel of ecological elements" and Daniel's winemaking vision had one very singular focus-creating the highest possible quality Cabernet and Bordeaux wines. His extreme focus and philosophy allows for him to create wines that continue to rival the best in the world.

Perfectly paired, this one night only, 5 course, regionally inspired, chef tasting menu, could be our most special wine & dinner pairing to date. Hosted by Laura Miller, Fine Wine Specialist from Southern Glazers and StoneWater Chefs, this is a night of exclusive wines, unmatched food and great company.
